

Mr.Silky Voice -

MY MUSIC MY LIFE MY SONG

---

Levi John is a singer and entertainer who has performed all over the United States, Canada, Europe and the Caribbean to a solid fan base. During his years at the world famous Sanibel Harbor Resort and Spa he wrote and produced the song, *Sanibel Harbor Sunset*. A popular recording artist, Levi has had many hit songs to his credit. He is also a prolific songwriter. Levi's music is a fusion of many rhythms and cultures. He calls his own brand of music Caribbean Pop. Levi is a romantic crooner, and has been dubbed as the "Silky Voice" by adoring fans.

This singer/songwriter likes to give back and has supported many charitable causes. Among the recipients of his generosity are Menninger Foundation, Charlee Program, Special Olympics of Nevada and Florida, and Charity Club of Canada. Levi wrote and produced the songs *If You Can Feel What I Feel* and *Children of Today People of Tomorrow* for Ronald McDonald House. A signature song, *People Helping People*, sums up his philosophy. This song is a testament to what this artist is all about; his favorite saying is "It is what you give, not what you take that keeps this world as one." Alarmed by the high prevalence of diabetes in the Caribbean, he is working on finding a solution to the prevention of this insidious disease.

These days Levi can be found performing throughout Europe, especially Germany and Spain, and on the beautiful island of Virgin Gorda in the British Virgin Islands. It was on the latter that Mr. Dane and Mrs. Mary Louise Miller heard him and fell in love with his voice and showmanship. They invited him to perform in the Village at Winona Lake during the Hops for Shop Festival this past July. Next July he returns to Winona Lake at the acclaimed MasterWorks Festival for what is sure to be a memorable performance.

"As I feel the joy of music that travels through my body and soul, what a wonderful gift I was given, to share throughout the world" says Levi. "It always amazes me when people are so thrilled by my voice, the way I sing a popular song with my unique style. I say it's Caribbean Pop, it's my thing, and I just want to share the joy of my soul!"

Levi brings many years of experience to the stage as a performer, whether singing with a big or small band, a one man show, playing his guitar or with an accompanist on piano. It's all magical when Levi takes to the stage. For Levi music is a wonderful joy, and as he says, "I was born for the music.".....Levi John is Music!
